INFORMED CONSENT TO TREATMENT

I, (please print) _____ understand that massage therapy given at Elite Sport Performance/The Knee Clinic is for the purpose of soft tissue injury relief.

I also understand that the therapist does not diagnose any physical or mental disorders and as such will not prescribe medical treatments not perform any chiropractic adjustments.

It has been made clear to me that massage therapy is not a substitute for medical or dental examinations and/or diagnosis and that it is recommended that I see a physician for any ailment that I might have.

Because the massage therapist must be aware of any pre-existing conditions, I have disclosed all of my known medical history and take it upon myself to keep this information current and to update the therapist of any changes.
