

# UNLOADER ONE® X CUSTOM

The Unloader One X Custom improves patient mobility by providing relief from knee osteoarthritis (OA) and degenerative meniscal tears.

Its patented 3-Point Leverage System builds on decades of patient and practitioner experience and is designed with ease-of-use and effortless wear in mind.

The Unloader One X Custom is clinically proven to provide pain relief and functional improvements for unicompartmental OA of the knee and degenerative meniscal tears and is custom manufactured to fit your patient's unique leg contour.

OA KNEE

## INDICATIONS FOR USE

- Moderate to severe unicompartmental knee osteoarthritis
- Degenerative meniscal tears
- Other knee conditions that may benefit from unicompartmental unloading

## FEATURES AND BENEFITS

- Relieves Pain - 3-Point Leverage System with Dynamic Force System™ straps, rigid shells, and a single upright hinge biomechanically unloads the affected knee compartment.
- Easy-to-Wear - Slender frame with soft edges easily contours to your leg and remains discreet whether worn under or over clothing.
- Comfortable - Skin-friendly liner feels great against the skin and reduces pressure points. Anti-Migration Technology - Strap design captures the thickest part of the calf to reduce brace migration during activity.
- Control - SmartDosing® dials put you in control of your pain by allowing you to fine-tune strap tension.
- Easy Care - Machine washable with convenient washbag included.

## SMARTMEASURE®

A digital measuring system for custom knee braces on the iPhone or iPad. The most intuitive, efficient and accurate way to measure for any Össur custom knee brace. Utilizes a section-based, step-by-step approach to guide you through the entire brace selection, measuring and order process.

Description	Part#
SmartMeasure Measuring Kit	CMS0000
Constant Force Caliper	B-3 12000000

Scans, CMS (CTI only), CCS and casting also accepted. Knee M/L required.
