

SPORT MEDICINE PHYSICIAN

Position Available Immediately

Is public health care getting you down? If you are a sport medicine physician who truly cares about your patients and wishes you could do more to help them, consider joining our team of highly trained, truly collaborative professionals.

We are seeking a part-time to full-time physician with a Dip. Sport Med. and a strong interest in patient centered, multi-disciplinary care. This role requires the physician to provide consultations for sport medicine, oversee MSK referrals, and perform minor procedures.

Opportunities exist for a new doctor to mentor with our existing sport medicine physician, and eventually participate in our image-guided injection program.

We cover the overhead, practice marketing and provide you with full access to our impeccably trained administrative team!

This is a weekday position with flexibility to customize hours based on candidate needs.

Compensation: This is a commission position accepting both private and Alberta Health billing.

Please send your cover letter and resume to admin@elitesportperformance.com
